

Options for mutually supportive,
■ harmonized approaches
to benefit-sharing
under the Plant Treaty and
KMGBF multilateral mechanism

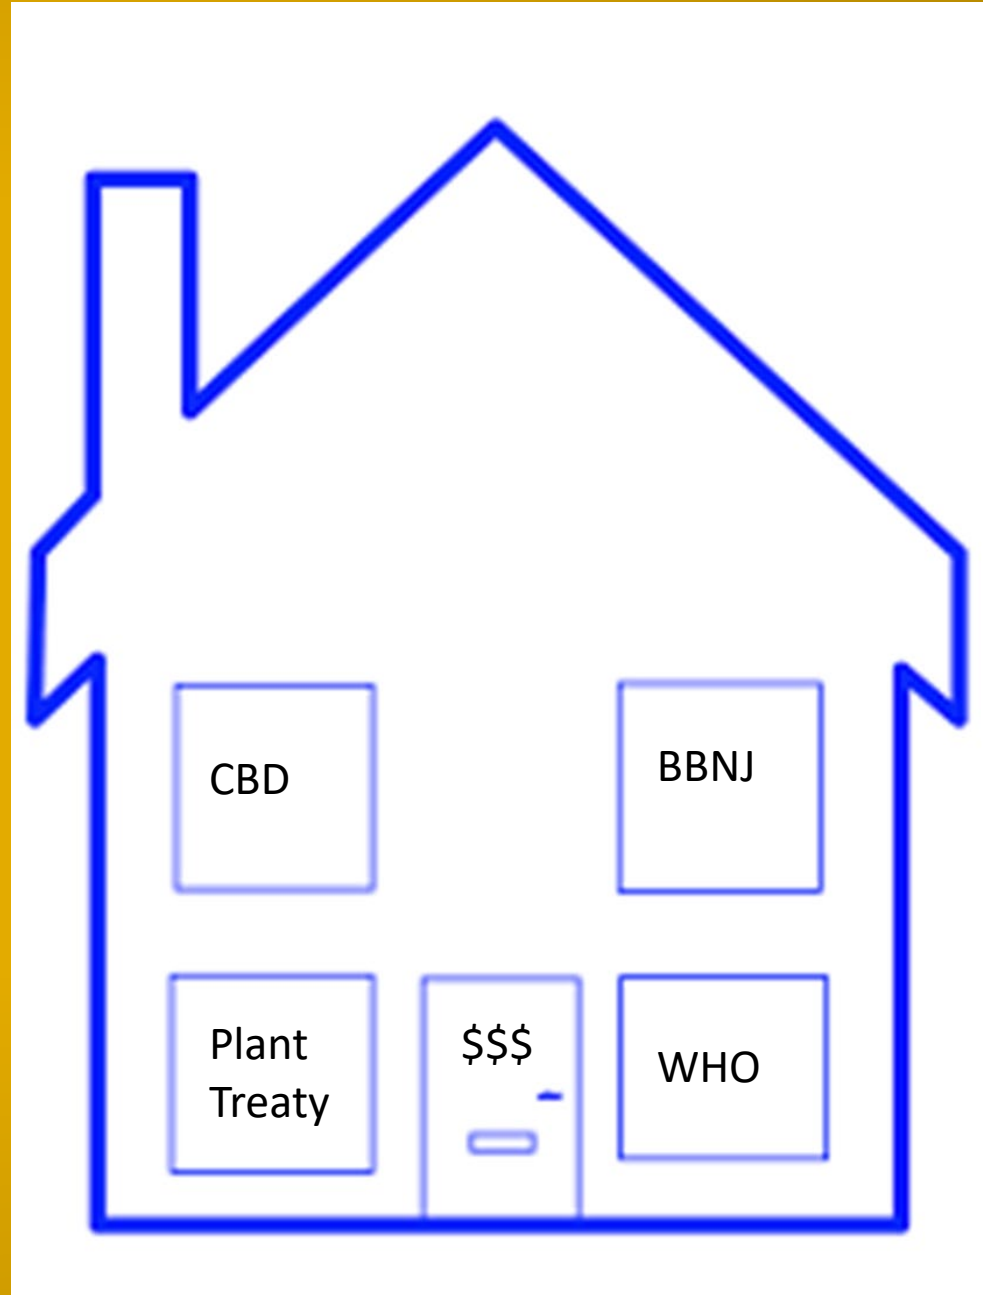

Michael Halewood

Why is harmonization important for R&D?

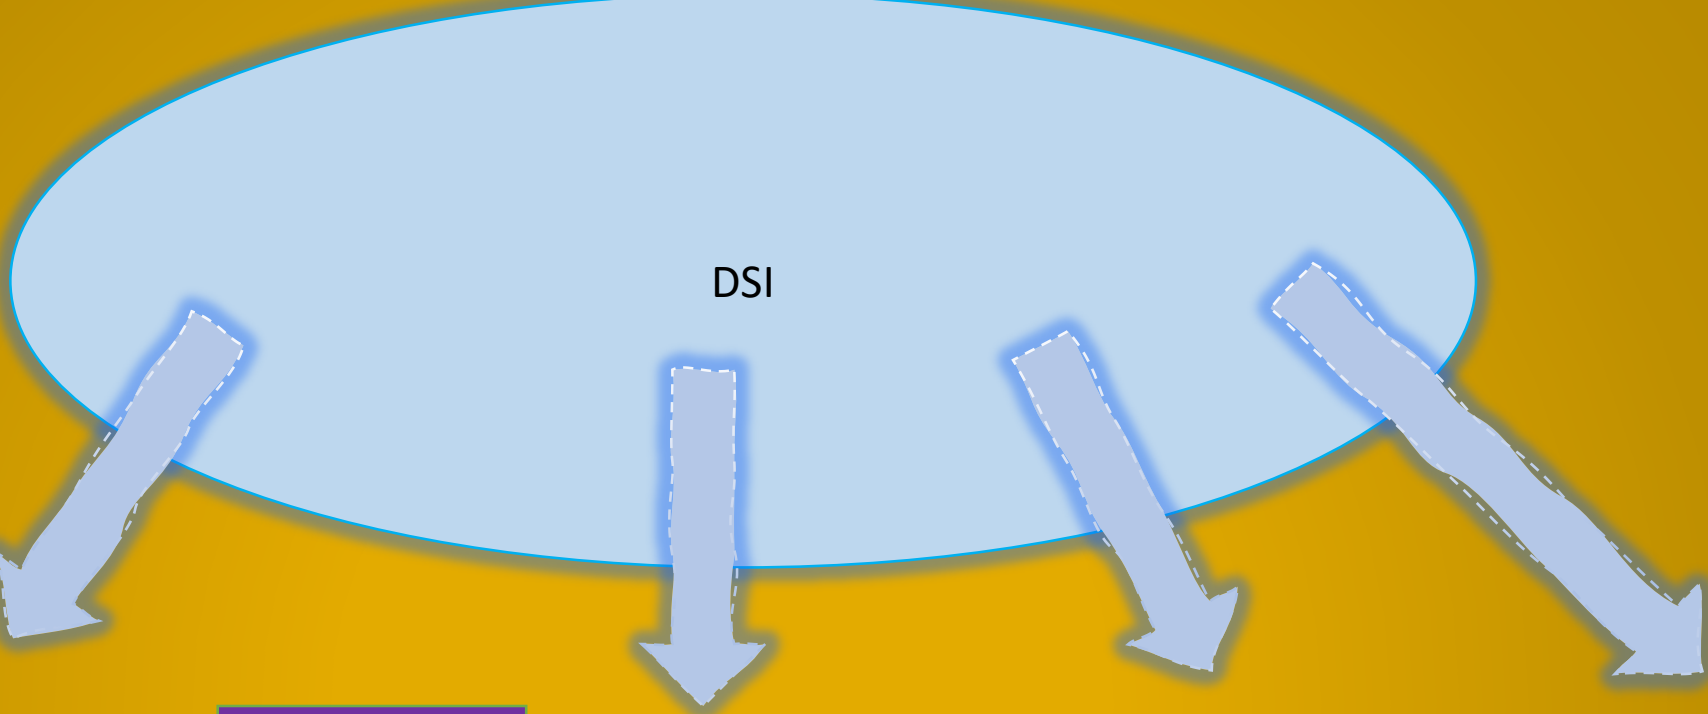

What do we mean by 'delinking' access from benefit sharing?

Delinking benefit sharing from use of DSI in particular products?

Global Biodiversity
Framework Funding
House:
one door, four windows

All open access DSI

'Delinked' portfolios of products

Annex 1 PGRFA products

Non Annex 1 PGRFA products

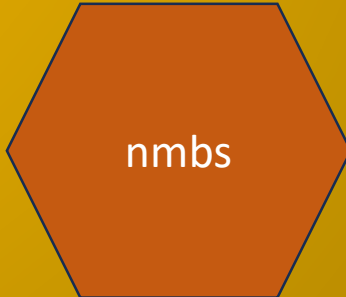

Industrial

Pharma

Pandemic related products

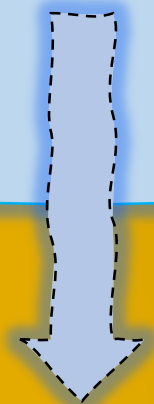

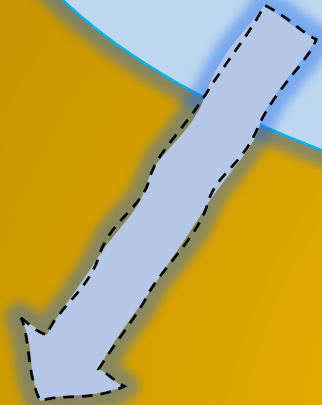

?? CP contribution

Multilateral BS funds

DSI

All open access DSI

'Delinked' portfolios of products
